

## TRAVCO INAUGURATES M/S JAZ OMAR EL KHAYAM Travco's New Deluxe Nile Cruise Ship

**T**ravco's Nile Cruise subsidiary company, launched long awaited M/S JAZ Omar El Khayam, marking the company's 20th cruise ship on the Nile. The five-star deluxe JAZ Omar El Khayam is built using advanced construction technology according to the International Lloyd's of London specifications.

Measuring up to the opulent theme of the ship, Mrs. Dora El Chiaty, Head of the Engineering department at Travco Group and the sole interior designer of the company's hotels and cruises, handpicked the décor to ensure the passengers the utmost in luxury while on board.

JAZ Omar El Khayam features 80 cabins including 12 suites – all spacious, luxuriously furnished, and equipped with the latest in entertainment systems. In addition to the standard modern day amenities including a mini fridge, a safe, a private bathroom with a tub and hairdryer, and a satellite TV. The ship also features a restaurant to accommodate all passengers at once. To ensure passengers are entertained during their stay, the ship boasts two elegantly furnished lounges with bars and a discotheque. The sundeck includes a large swimming pool with a Jacuzzi, additionally; the ship caters for the active ones with its large fully equipped gym and a wellness Spa.

JAZ Omar El Khayam is among the few ships operating in Lake Nasser boasting a new standard of hospitality in the Nile Cruise industry. Its itinerary includes a four-night trip from Aswan to Abu Simbel from Monday to Friday of every week, and a three-night trip from Abu Simbel back to Aswan from Friday to Monday of every week. ■
